

# Luke Grimes - Hold On

tom:  
Eb (forma dos acordes no tom de C )  
Capostrate na 3ª casa

Hold me and I don't recommend that you adore me  
If you do, don't say I didn't warn you  
Trust me, I know how to start a fire from a flame  
Oh oh I always leave before the curtain hits the floorboard  
When I hear you talkin' like you know me

You don't know me  
You don't know me

[Refrão]

You said I could not go crazy  
Wish that I could make you hate me  
Maybe I should change my name and run  
So I don't have to hold on  
Maybe you and I would make it  
It ain't the kind of risk I'm takin'  
Maybe I should change my name and run run run

So I don't have to hold on  
Hold on  
Hold on

I'm only human and I get a little lonely  
But I don't wanna hit you while I'm fallin'

While I'm fallin'  
While I'm fallin'

You said I could not go crazy  
Wish that I could make you hate me  
Maybe I should change my name and run  
So I don't have to hold on  
Maybe you and I would make it  
It ain't the kind of risk I'm takin'  
Maybe I should change my name and run run run

So I don't have to hold on  
Hold on  
Hold on

Wish that I could not go crazy  
Wish that I could make you hate me  
Maybe I should change my name and run  
So I don't have to hold on

Maybe you and I would make it  
It ain't the kind of risk I'm takin'  
Maybe I should change my name and run run run

So I don't have to hold on  
Hold on  
Hold on
