

Luke Grimes - No Horse To Ride

tom:

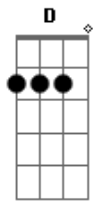

Intro: D D2 D G
D D2 D

I'd be spinnin' my wheels goin' nowhere fast
Pocket full of sorrys and an empty glass
All hat and no cattle and some tumbleweed boots
I'd be blowin' in the wind if I didn't have you

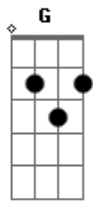

I'd be a drunk without a drink to drink
A guitar with a broken string
Without you, I'd be a fallin' star without a midnight sky
A cowboy with no horse to ride

I'd be drivin' in the dark with no headlights on

On a one-way highway that didn't go home
I'd have to borrow from the devil just to pay my dues
I'd have nothin' worth havin' if I didn't have you
I'd be a drunk without a drink to drink
A guitar with a broken string
Without you, I'd be a fallin' star without a midnight sky
I'd be a train runnin' out of tracks
Missin' pages in a paperback
Without you, I'd be the kind of lost that's hard to find
Walkin' through this world alive
A cowboy with no horse to ride
