

Lukr - Secrets

tom:

Intro: Em G D C Em G D

I?m not a liar most of the time

But I got some skeletons I keep

I've been in love more than once in my life

But you bring the sinner out of me

Like this bed is an altar I came to confess

Whisper my weaknesses into your neck

Now that I found you my demons can rest

I?m giving you power over me and nothing less

I?m swearing to God

Ask me anything you want

Cause I?m telling you all my secrets

Yeah, I?m telling you all my secrets

I?m crossing my heart

You can break it if you want

But I?m telling you all my secrets

Yeah, I?m telling you all my secrets

If I?m being honest you could destroy me

With all of the shit I say out loud

But I don?t even care I need you to know me

So tear me apart from the inside out

Like this bed is an altar I came to confess

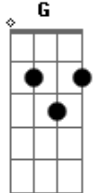

Whisper my weaknesses into your neck

Now that I found you my demons can rest

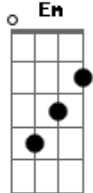

I?m giving you power over me and nothing less

I?m swearing to God

I?m swearing to God

Ask me anything you want

Cause I?m telling you all my secrets

Yeah, I?m telling you all my secrets

I?m crossing my heart

You can break it if you want

But I?m telling you all my secrets

Yeah, I?m telling you all my secrets

Tell you everything I know

Darkest deeds and dreams and hopes

On the road and you?re at home

We?re talking dirty on the phone

Still think of you when I close my eyes

When I touch myself when you hit the lights

The only one I fantasize

We?re in the bed, I?m getting high

You?re in my head, we?re past the lies

Look at me I swear to Christ

I?m faking it cause I?m terrified

Of making it, of wasting time

Of fucking up both of our lives

Telling you all my telling you all my secrets

(C G Em D C)

I?m crossing my heart

You can break it if you want

But I?m telling you all my

Yeah, I?m telling you all my secrets
