

# Lunatica - Farewell My Love

tom:

**Dm**

**Dm** **Bb**  
I've been feeling so uncertain

**Dm** **C** **Bb**  
Since the day you left my life

**F** **C**  
Now I'm standing at the crossroads

**Gm** **Bb**  
No direction left to go

**Dm** **Bb**  
I've been thinking 'bout the good times

**Dm** **C** **Bb**  
And I've cried a lake of tears

**F** **C**  
If losing you is just a nightmare

**Gm** **Bb**  
I hope I wake up by your side

**Gm** **Bb**  
Farewell my love

**F** **Gm**  
Forgive the things I've done to you

**Eb** **F**  
May your days be warm and bright

**Dm** **Eb**  
May your journey lead you to the light

**Dm** **Bb**  
So many words been left unspoken

**Dm** **C** **Bb**

And some words were far too much

**F** **C**  
Maybe sometimes love is hurting

**Gm** **Bb**  
But it's the sweetest pain I know

**Gm** **Bb**  
Farewell my love

**F** **Gm**  
Forgive the things I've done to you

**Eb** **F**  
May your days be warm and bright

**Dm** **Eb**  
May your journey lead you to the light

[Solo] **Gm** **Bb** **F** **Gm**  
**Bb** **F** **Eb** **F**

**Am** **C**  
Farewell my love

**G** **Am**  
Forgive the things I've done to you

**F** **G**  
May your days be warm and bright

**Em** **F**  
May your journey lead you to the light

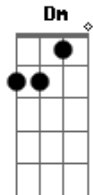

**Am** **C**  
Farewell my love

**G** **Am**  
Forgive the things I've done to you

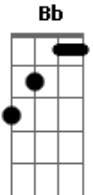

**F** **G**  
May your days be warm and bright

**Em** **F**  
May your journey lead you to the light
