

# Lund - Alone

tom:

G

Intro: Em G

Em  
I feel the cold again

I feel alone again

G

I feel the cold again

I feel alone again

Em

I feel the cold again

I feel alone again

G

I feel the cold again

I feel alone again

Em

My heart is so cold

I feel so alone

Em

I stayed up night girl

I wish you were home

G

I'll take ahold of you

I want to grow old with you

Em

Where did you go?

Oh where did you go?

Em

You got me feeling like I'm six feet below

G

The ground

Don't tell me it's over now

I won't live this way

Em

I can't live this life without you

Em

Cause all I fucking do is think about you

G

All night and day

Baby girl believe the words that I say

Em

Addicted to love and you're my supplier

You and I, we burn like a fire

G

Your words, they cut like barb wire

That's how it feels when you love a liar

Em

Addicted to love and you're my supplier

You and I, we burn like a fire

G

Your words, they cut like barb wire

That's how it feels when you love a liar

## Acordes

I feel alone again

Em

I feel the cold again

I feel alone again

G

I feel the cold again

I feel alone again

Em

So pour salt on my wounds babe

I just want to feel something

Em

Remove the blood from my veins

So this heart will stop pumping

G

On the edge and I'm jumping

Give me something that's numbing

G

Cause if I don't have your love

Then this life means nothing

Em

So pour salt on my wounds babe

I just want to feel something

Em

Remove the blood from my veins

So this heart will stop pumping
