

Lupicínio Rodrigues - Volta

Tom: **A**

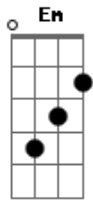

A **Em**
 Quantas noites não durmo,
A/7 **D7** **Dm**
 A rolar-me na cama
Dbm
 A sentir tanta coisa
Gb7 **B7**
 Que a gente não pode explicar
D **E7**
 Quando ama
A **Em**
 O calor das cobertas
A/7 **D7** **Dm**

Não me aquece direito
Dbm
 Não há nada no mundo
Gb7 **Bm**
 Que possa afastar
E7 **A** **A7**
 Esse frio do meu peito.
D7
 Volta,
Eb **Ab7** **Dbm** **Dbm6**
 Vem viver outra vez ao meu lado,
Gb7 **Bm**
 Não consigo dormir sem teu braço,
E7 **A** (**A7**)
 Pois meu corpo está acostumado...
