Now I think of every hour  
When you still retained your power  
And the precious nights we'd share  
When we'd breathe in common air

Bm  
The feeling now you've gone  
A  
This wretched life goes on  
D  
The knife inside of me  
E  
It turns just like a key

G A E  
The sunlight always comes too soon  
G A E  
My body asks me what to do  
G A E  
I was so small and vulnerable  
G A E  
And you were only beautiful

[Final]

G A E  
The seasons shining in your hair  
G A E  
And it was more than I could bear  
G A E  
But I can see you in my smile  
G A E  
And you are only beautiful

( A Bm A E )
