

Lyn Lapid - Room For You

tom:
[Primeira Parte]

I've been meaning to call, it's okay if
You hate me

How's it like back at home? Is the lake
Still as pretty?

I see that we've been running around
In these peculiar towns, different
Coastlines

And we've been way too busy, it's cool
It's nice to see we're still fools in
The same light

[Refrão]

When the odds of it all get in the way
Know I'll be around when you call at
The end of the day
Even if the world around it feels like
It's all falling apart
There'll forever be a room for you

Inside of my heart
It's true, there's always room for you

(E7)

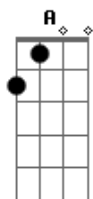

[Segunda Parte]

The time that you ran it was almost
10:30 (PM)

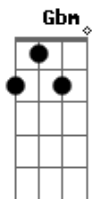

You just get out of bed, you must've
Woken up early

Remember that old house down the road

With the window you broke? Well they
Tore it down

And though the city started to change
It still remembers your name, like how
I do now

[Refrão]

When the odds of it all get in the way
Know I'll be around when you call at
The end of the day
Even if the world around it feels like
It's all falling apart
There'll forever be a room for you

Inside of my heart
It's true, there's always room for you

Ooh, ooh
Ooh it's true, there's always room
For you

[Refrão]

When the odds of it all get in the way
Know I'll be around when you call at
The end of the day
Even if the world around it feels like
It's all falling apart
There'll forever be a room for you
