

Lynda Randle - What a Difference You've Made In My Life

Tom: **B**

Intro: **B Ebm E Gb B Ebm E Gb**

What a difference you've made in my life

What a difference you've made in my life

You're my sunshine day and night

Oh, what a difference you've made

In my life

What a change you have made in my heart

What a change you have made in my heart

You've replaced all the broken parts

Oh, what a change you have made

In my heart

Love to me was just a word in a song

That had been way over-used

But now I've joined in the singing

Cause you've showed me love's true meanin

That's why I want to spread the news

What a difference you've made in my life

What a difference you've made in my life

You're my sunshine day and night

Oh, what a difference you've made

In my life
