

Lynyrd Skynyrd - Every Mothers Son Intro

Tom: G

this song is not on the internet any where else so i decided to put what i think it $% \left(1\right) =\left(1\right) \left(1\right) +\left(1\right) \left(1\right) \left(1\right) +\left(1\right) \left(1\right) \left($

like for others to learn. its not hard at all and is a great song. If there are any please email me . Enjoy. Intro: \boldsymbol{x}
