

Lynyrd Skynyrd - God And Guns

Tom: **B**

Dbm
Last night I heard this politician
B
Talking 'bout his brand new mission
Gb **Dbm**
'Liked his plans, but they came undone when he got around with
God and guns

I don't know how he grew up
B
But it sure wasn't down at the hunting club
Gb **Dbm**
Cause if it was he'd understand a little bit more about the
working man

Gb
God and guns
Dbm
Keep us strong
Gb
That's what this country
Dbm
Was founded on
Gb
Well we might aswell give up and run
Gb E Dbm
If we let them take our God and guns

Dbm
I'm here in my back of the woods
B
Where God is great and guns are good
Gb
You really can't know that much about 'm
Dbm

If you think we're better off without 'm
Dbm
Well there was a time we ain't forgot
B
You caressed all night with the doors unlocked
Gb
But there ain't nobody save no more
Dbm
So you say your prayers and you thank the lord

Gb
For that peace maker
Dbm
In the dresser drawer

Gb
God and guns (God and guns)
Dbm
Keep us strong **Gb**
That's what this country, lord
Dbm
Was founded on
Gb
Well we might aswell give up and run,
Gb E Dbm
If we let 'm take our God and guns.
Gb
Yea we might aswell give up and run,
Gb E Dbm
If we let 'm take our God and guns!

Yeaaa
Ooh
God and guns
