Lynyrd Skynyrd - Seasons

Tom: G

   (intro)

(repeat)

```
C                   G
When                turning,
C                    G
```

```
                    And                   by,
D               C           D               C
And             reflection, see            eye,
D                   C           Em          D
Know                come    , has       by
C                       G
And                     closely,
C                       G
You                     shine,
D                       C           D               C
And                     longing, longing         you,
D                   C           Em              D
The season          come    is as              you
```
