

# Lys Dame - Until The Sun Goes Down

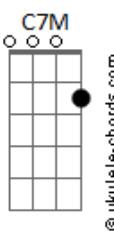

tom:  
**C**  
 Intro: **Am7 C7M G7 F7M**  
**Am7 C7M G7 F7M**  
**Am7 C7M G7 F7M**  
**Am7 C7M G7 F7M**

**Am7 C7M**  
 Fucking euphoria  
**G7 F7M**  
 Tryna hide my hair in your hood  
**Am7 C7M**  
 This sweater is really oversized  
**G7 F7M**  
 I hope no one notes my 'crynder'  
**Am7 C7M**  
 Only you know  
**G7 F7M**  
 How I feel when you say my name  
**Am7 C7M**  
 I'm very tired  
**G7 F7M**  
 Wishing for when I won't lie  
**Am7 C7M**  
 Baby, I can't think in  
**G7 F7M**  
 Anyone else that I wanna here  
**Am7 C7M G7 F7M**  
 The way that I love you is more intense than I rarely love  
**Am7 C7M G7 F7M**  
 And I know that you love me more than nobody else loved me before

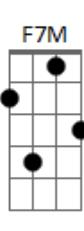

**Am7**  
 Until the sun goes down  
**C7M**  
 I will ever and ever  
**G7**  
 Still looking around  
**F7M**  
 Choosing a past we rather  
**Am7**  
 I know we hate this town  
**C7M**  
 But we still together  
**G7**  
 Always out the law  
**F7M**  
 This is what says my letter  
**Am7 C7M**  
 Fake friendships  
**G7 F7M**  
 One fucking abusive boyfriend  
**Am7 C7M**

Bulimia and college entrance exams  
**G7 F7M**  
 And all they say is that you wanna kiss me  
**Am7 C7M**  
 Say bye to the closet  
**G7 F7M**  
 'Cause you know that you can be yourself  
**Am7 C7M**  
 Lady, nothing but you  
**G7 F7M**  
 Could make my guts get dancing  
**Am7 C7M G7 F7M**  
 My world becomes less bloody only hearing the sounds of your voice  
**Am7 C7M G7 F7M**  
 You're not real, just like me baby, we are only two cry babies  
**Am7 C7M**  
 Honey, you're not my lover  
**G7**  
 But you are the love of my life  
**Am7**  
 Until the sun goes down  
**C7M**  
 I will ever and ever  
**G7**  
 Still looking around  
**F7M**  
 Choosing a past we rather  
**Am7**  
 I know we hate this town  
**C7M**  
 But we still together  
**G7**  
 Always out the law  
**F7M**  
 This is what says my letter  
**Am7**  
 Until the sun goes down  
**C7M**  
 I will ever and ever  
**G7**  
 Still looking around  
**F7M**  
 Choosing a past we rather  
**Am7**  
 I know we hate this town  
**C7M**  
 But we still together  
**G7**  
 Always out the law  
**F7M**  
 This is what says my letter
