

M Blue - I Barely

Intro: tom: F C Am G
F C Am G

I barely look
At him now

I think I
Forgot somehow

Now I'm not in trouble
I'm gonna be fine

And all the
Tears went out

I'm singing it
All out loud

I'm starting a new chapter
I chose a better road

Don't try to
Get me back

Now it's all
In the past

It's up to you to beg
I wont let it last

So don't tell me
That it's just a joke

No no no
You are the
One who let it fall

Yeah yeah
Now leave alone
Because

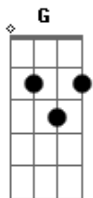

You're not longer part
Of my life

Forget it you hurt
Me a lot

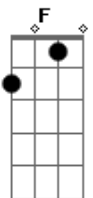

Stop trying to find me
There's nothing left to talk

[Final] F C Am G
F C Am
G F C
