

M1LDL1FE - Distraction

```
tom:
Intro: E A B E A B Gbm7
If your skin is made of light
Get me drunk on cosmic wine
If your eyes are the ocean mist
            В
                       Gbm7
Then pull me into the abyss
We're made from the same dust
Like stars from the same dusk
Don't dive in, it's dangerous
Hold on, here we go
All my life
Been trying to find your lips, my kiss
They're made for each other
Hands into the night
       E Abm B E
It will be alright
Take away my heart to see an ocean deep inside of me
Tear apart my head and feel infinity consuming me
All my life, ooh
Under covers, intertwined like this
Drowning in a golden bliss
                B Dbm7
Find infinity in your eyes
See myself floating out of sight
