

M1LDL1FE - Distraction

tom:

Intro: E A B E A B Gbm

Gbm B Dbm
If your skin is made of light

E Gbm
Get me drunk on cosmic wine

B Dbm
If your eyes are the ocean mist

B Gbm
Then pull me into the abyss

Dbm
We're made from the same dust

Gbm
Like stars from the same dusk

Dbm
Don't dive in, it's dangerous

E
Hold on, here we go

A
All my life

B E
Been trying to find your lips, my kiss

B
They're made for each other

A
Hands into the night

B E Abm B E
It will be alright

A B E
Take away my heart to see an ocean deep inside of me

B
Tear apart my head and feel infinity consuming me

A B Gbm
All my life, ooh

Gbm B Dbm
Under covers, intertwined like this

Gbm
Drowning in a golden bliss

B Dbm
Find infinity in your eyes

Gbm
See myself floating out of sight

B Gbm
Like sand from the same tide

Gbm
And lights on the shore line

Dbm
Up there, it's just too bright

E
Just pull me under

A
All my life

B E
Been trying to find your lips, my kiss

B
They're made for each other
