I've been looking for somebody
Tryna kick it with somebody
I need a rude boy to tell me something sweet
Same time got his hands up on my body
I wanna get high when he take it low low
Make me feel strong when I'm taking control
I've been looking for my shawty
So come and get it if you got it

Bm D
All my girls round the world
I know you know what I mean
I get little sexy when I'm lonely
One thing on my mind
I know what I need
Bm D

Hands up and sing it with me
'Cause everything I got you know it's all me
Even though a man ain't something I need
