

# Mac Demarco - Nightmare

tom:  
**Eb** (forma dos acordes no tom de **C** )  
 Capotraste na 3ª casa

**A7** **C** **Gbm** **Em**  
 Thought that you'd have woken up by now  
**A7** **Gbm**  
 What a nightmare  
**A7** **C** **Gbm** **Em**  
 Who thought she would still be hanging 'round?  
**A7** **Gbm** **C** **Cadd9**  
 But she's still right there

**C2** **Cadd9** **C** **A7**  
 Roll up those sleeves, boy  
**Em** **G**  
 Smoke the whole pack  
**Em** **G** **A7**

There's no turning back from this one  
**A7** **C** **Gbm** **Em**  
 Had you known that further down that road  
**A7** **Gbm**  
 There'd be crying  
**A7** **C** **Gbm** **Em**  
 Maybe you'd have lessened up your load  
**A7** **Gbm** **C** **Cadd9**  
 And stopped your lying

**C2** **Cadd9** **C** **A7**  
 Roll up those sleeves, boy  
**Em** **G**  
 Smoke the whole pack  
**Em** **G** **A7**  
 There's no turning back from this one
