

# Mac Demarco - Nothing At All

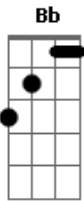

tom:  
Dm  
Bb C Dm Am Gm C7 Gm C7  
Body heavy, mind all bent, feeling cold now  
Bb C Dm Am Gm C7 Gm C7  
Strange how little things can send you down that road now  
Bb C7 Dm Am  
All your cures, been put away  
Gm C7 Gm C7  
You've no control now  
Bb C Dm Am  
Better off but for today  
Gm C7 Gm C7  
You're on the road down  
F7 Bb C7 F7 Bb C7  
It's always been all or nothing at all with you, baby  
F7 Bb C7  
Up or down, all or nothing at all  
F7 Bb C7  
Is all I see now  
Bb C Dm Am  
Hairpin trigger, volatile  
Gm C7 Gm C7

No denying  
Bb C7 Dm Am Gm C7 Gm C7  
Tread much lighter, try to smile, but feel like crying  
Bb C7 Dm Am  
With all your cures up on the shelf  
Gm C7 Gm C7  
You've no control now  
Bb C7 Dm Am  
And with your mind beside itself  
Gm C7 Gm C7  
You're all the way down  
F7 Bb C7 F7 Bb C7  
It's always been all or nothing at all with you, baby  
F7 Bb C7  
Up or down, all or nothing at all  
F7 Bb C7  
Is all I see now  
F7 Bb C7 F7 Bb C7  
It's always been all or nothing at all with you, baby  
F7 Bb C7  
Up or down, all or nothing at all  
F7 Bb C7  
Is all I see now, now
