 Hey kid, everybody's prone to some mistakes  
**F C C C**  
 If you'd always kept it straight, you'd never learn  
**F G C F G**  
 You'd run the risk of all the risks you take  
**C F G C**  
 Don't feel like all the time you put in went to waste  
**F G C C**  
 The way your heart was beating all those days  
**F G C F G**  
 And suddenly it beats another pace

**Dm G7 F Bb7**  
 It's not like you never tried to forget her  
**Dm G7 Bb7 C**

But these days are better without one another

( **C F G** )

 Your heart can finally get some rest  
 Same heart that started this whole mess

 Yours wasn't ever really broken, was it?  
 In losing love you gain a friend
