

Mac Demarco - Terror

tom:
Ebm
Bbm Ebm Abm Db7
 I am just a terror, wandering
Bbm Ebm Abm Db7
 Where will my head rest tonight?
Bbm Ebm Abm Db7
 Like a leech stuck on
Abm Db7
 Two hearts, one song
Bbm Ebm Abm Db7
 Have I come in time to eat?
Bbm Ebm Abm Db7
 I am but a wandering terror
Bbm Ebm Abm Db7
 This is all I'll ever be
Bbm Ebm Abm Db7
 Like a moth led to
Abm Db7
 A candle that you
Bbm Ebm Abm Db7
 Have been burning all your life
A Abm Db7
 Now my head's back on, I see it
A Abm Db7
 All those days of trying to run
A Abm
 What a waste of breath
Db7 A
 I feel it now in my veins
Abm Db7

Pumped with my blood
Bbm Ebm Abm Db7
 I am terrified of dying
Bbm Ebm Abm Db7
 That old gift we all receive
Bbm Ebm
 Like a leech stuck on
Abm Db7
 Your heart belongs
Bbm Ebm Abm Db7
 To me and only me
Bbm Ebm Abm Db7
 Because I'm a wandering terror
Bbm Ebm Abm Db7
 That's just how I was designed
Bbm Ebm
 Like a moth led to
Abm Db7
 A candle that you
Bbm Ebm Abm Db7
 Will be burning all your life
A Abm Db7
 Now my head's back on, I see it
A Abm Db7
 All those days of trying to run
A Abm
 What a waste of breath
Db7 A
 I feel it now in my veins
Abm Db7
 Pumped with my blood
