

Mac Miller - Another Night

Tom: Ab
Intro: Ab6 C Db Ab

As I spend another night with out a single thing to do
Cept' writin down this music I precede to bring to you
My man Billy hit me up he got some weed he bringin through
Tell him better be that good and grab a pack of swishers too
That's what usually happens Deserve some cool relaxin

Smokin herb and laughin at Curb Your Enthusiasm
Cause it's just another night on my own layin back as I light
up my dro
It's just another night alone... I spend another night alone
Said cause it's just another night on my own layin back as I
light up my dro
It's just another night alone... I spend another night alone
