Tom: D

INT0: D A Bm D7 G D E A

D A  
Am I out of my head?

Bm  
Am I out of my mind?

D7 G  
If you only knew the bad things I like

D  
Don't think that I can explain it

E A  
What can I say? It's complicated

D A  
Don't matter what you say

Bm  
Don't matter what you do

D7 G  
I only wanna do bad things to you

D  
So good (so good, that you can't explain it

E A  
What can I say? It's complicated

D A G  
Nothing's that bad, if it feels good

D G  
So you come back, like I knew you would

D Bm  
And we're both wild, and the night's young

A  
And you're my drug, breathe you in 'til my face numb

D A  
Drop it down to that bass drum, I got what you dream about

G  
Nails scratchin my back tatt

D  
Eyes closed while you scream out

G  
And you keep me in with those hips

D  
While my teeth sink in those lips

Bm  
While your body's giving me life

A  
And you suffocate in my kiss

Then you say

D  
I want you forever

A  
Even when we're not together

G D  
Scars on my body so I can take you wherever, like

G  
I want you forever

D  
Even when we're not together

Bm A  
Scars on my body, I can look at you whenever

And no one has to get it

Just you and me

Between the sheets

Let me paint the picture, couch by the kitchen

Nothing but your heels on, losing our religion

G  
You're my pretty little vixen

D  
And I'm the voice inside your head
