

Machine Gun Kelly (MGK) - Bad Things

Tom: C

Am I out of my head?
Am I out of my mind?
If you only knew the bad things I like
Don't think that I can explain it
What can I say, it's complicated
No matter what you say
Don't matter what you do
I only wanna do bad things to you
So good, that you can't explain it
What can I say, it's complicated

Nothing's that bad, if it feels good
So you come back, like I knew you would
And we're both wild, and the night's Young
And you're my drug, breath you in 'til my face numb
Drop it down like that bass drum, I got what you dream about
Nails scratch on my back tatt
Eyes closed while you scream out
And you keep me in with those hips
While my teeth sink in into those lips
While your body's giving me life
And you're suffocate my kiss

Then you say
I want you forever
Even when we're not together
Scars on my body so I can take you wherever
I want you forever
Even when we're not together
Scars on my body I can look at you whenever

Am I out of my head?
Am I out of my mind?
If you only knew the bad things I like
Don't think that I can explain it
What can I say, it's complicated
No matter what you say
Don't matter what you do
I only wanna do bad things to you
So good, that you can't explain it
What can I say, it's complicated

I can't explain it, I love the pain
And I love the way
That your breath numbs me like novacaine and we are
Always high, keep it strange
Okay yeah I'm insane, but you the same
Let me paint the picture, couch by the kitchen
Nothing but your heels on, losing our religion
You're my pretty little fiction
And I'm the voice inside your head
That keeps telling you to listen
To all the bad things I say and you say

I want you forever
Even when we're not together
Scars on my body so I can take you wherever
I want you forever
Even when we're not together
Scars on my body I can look at you whenever

Am I out of my head?
Am I out of my mind?
If you only knew the bad things I like
Don't think that I can explain it
What can I say, it's complicated
No matter what you say
Don't matter what you do
I only wanna do bad things to you
So good, that you can't explain it
What can I say, it's complicated

The way we love, is so unique
And when we touch, I'm shivering
And no one has to get it
Just you and me
Cause we're just living
Between the sheets

I want you forever
Even when we're not together
Scars on my body so I can take you wherever
I want you forever
Even when we're not together
