Tom: D

(com acordes na forma de C)
 Capotraste na 2ª casa

C G
 Am I out of my head?

Am C
 Am I out of my mind?

C F
 If you only knew the bad things I like

C
 Don't think that I can explain it

Dm G
 What can I say, it's complicated

C G
 Don't matter what you say

Am
 Don't matter what you do

C F
 I only wanna do bad things to you

C
 So good, that you can't explain it

Dm G
 What can I say, it's complicated

C
 Nothing's that bad

G
 If it feels good

F
 So you come back

C
 Like I knew you would

F
 And we're both wild

C
 And the night's young

Am
 And you're my drug

G
 Breathe you in 'til my face numb

C
 Drop it down to that bass drum

G
 I got what you dream about

F
 Nails scratchin' my back tatt

C
 Eyes closed while you scream out

F
 And you keep me in with those hips

C
 While my teeth sink in those lips

Am
 While your body's giving me life

G
 And you suffocate in my kiss

Then you said

C
 I want you forever

G
 Even when we're not together

F C
 Scars on my body so I can take you wherever

F
 I want you forever

C
 Even when we're not together

Am G
 Scars on my body I can look at you whenever

C G
 Am I out of my head?

Am
 Am I out of my mind?

C F
 If you only knew the bad things I like

C
 Don't think that I can explain it

Dm G
 What can I say, it's complicated

C G
 Don't matter what you say

Am
 Don't matter what you do

C F

C
 So good, that you can't explain it

Dm G
 What can I say, it's complicated

C
 I can't explain it

G
 I love the pain

F C
 And I love the way your breath

Numbs me of novocaine

F
 And we are

Always high

C
 Keep it strange

Am
 Okay, yeah, I'm insane

G
 But you the same

C
 Let me paint the picture

G
 Couch by the kitchen

F
 Nothin' but your heels on

C
 Losin' our religion

F
 You're my pretty little vixen

C
 And I'm the voice inside your head

Am G
 That keeps telling you to listen to all the bad things I say

C
 I want you forever

G
 Even when we're not together

F C
 Scars on my body so I can take you wherever
