Intro: C G Em  
C G Em

Mm, okay  
C G  
The simulation just went bad  
Em  
But you're the best I ever had  
C G  
Like handprints in wet cement  
Em  
She touched me, it's permanent  
  
C G  
In my head, in my head  
Em  
I couldn't hear anything you said, but  
C G  
In my head, in my head  
Em  
I'm callin' you girlfriend, what the fuck?

C G  
I don't do fake love  
Em  
But I'll take some from you tonight, yeah  
C G  
I know I've got to go  
Em  
But I might just miss the flight  
C G  
I can't stay forever, let's play pretend  
Em  
And treat this night like it'll happen again  
C G Em  
You'll be my bloody valentine

C G  
I'm overstimulated and I'm sad  
Em  
I don't expect you to understand  
C G  
It's nothing less than true romance  
Em  
Or am I just makin' a mess?

C G  
In my head, in my head  
Em  
I'm lyin' naked with you, yeah  
C G  
In my head, in my head  
Em

I'm ready to die holding your hand

C G  
I don't do fake love  
Em  
But I'll take some from you tonight, yeah  
C G  
I know I've got to go  
Em  
But I might just miss the flight  
C G  
I can't stay forever, let's play pretend  
Em  
And treat this night like it'll happen again  
C G Em  
You'll be my bloody valentine
