

# Macklemore & Ryan Lewis - And We Danced

Tom: C

(Am F C G)

And we danced and we cried  
and we laughed and had a really really really good time  
Take my hand let's have a blast  
And remember this moment for the rest of our lives  
(Our lives) our lives (our lives) our lives  
Oh oh oh oh oh oh oh oh oh oh  
Tonight (tonight) tonight (tonight) tonight  
'Cause tonight's the night  
Am I right?  
Dance!  
Feels like night for a party  
My nature so naughty  
There's a knock on the door it's the neighbors  
Quick cock blocking  
We're having a hoedown you hoes down  
Don't let me pull my hose out  
'Cause it's big long pink strong  
And known to dance like all night long  
Grab my hand play this song  
DJ save my life come on  
Leave your fear back off the wall  
Free of beat and pussy pop  
If you don't have a pussy  
Bob a cock into a booty  
to a booty ay-ay-ay

And we danced and we cried  
and we laughed and had a really really really good time  
Take my hand let's have a blast  
And remember this moment for the rest of our lives

I am not I am not going to stand on the wall  
I will dance I will dance I will break that ass off  
And I see you in the corner corner looking so small  
Doing the robot like if I die tonight at least I went hard  
I will not I will not give a damn who watches me  
I will live I will live liberate the fox in me  
I will be the discoball freak and give my all  
To whatever girl's booty I'm freaking on  
I'm not skeeting nah it's just freaking hot  
Alright I skeeted  
I will not be a manikin  
The ego banish it  
The roof's on fire  
Let's burn down the vatican  
I will moon walk to Pluto in honor of Michael Jackson  
In heaven he'll be saying that man is tired dancing  
RIP to the king Michael Jackson we learned it all from you  
Dedicate this to the dance floor  
Party up the sorrow 'til tomorrow morning happens  
We pledge allegiance to the DJ put your hands up

And we danced and we cried  
and we laughed and had a really really really good time  
Take my hand let's have a blast  
And remember this moment for the rest of our lives

You see me looking at you from that bar right over there  
But your friends are all rolled up and they are hating on a player  
I just want to dance with you get on the back of you  
Tip tap the boots extract the truth  
Da-Dance with you get on the back of you  
Da-Dance dance dance Awesome

Oh-ee oh-ee oh  
Oh-ee oh-ee oh

Hey-oh hey-oh  
Hey-oh hey-oh

Uh-ah-ba-bo  
Uh-ah-ba-bo

And we danced and we cried  
and we laughed and had a really really really good time  
Take my hand let's have a blast  
And remember this moment for the rest of our lives
