Many times I've been told that I should go

But they don't know

What we got baby

They may not see the love in you

But, love, i do

And i'll stay right here

Mmm, sweet, sweet baby

Life is crazy

But there's one thing i am sure of

That I'm your lady

Always baby

And I love you now and ever

Sugar wishes dont change what is real

Or how it feels, in the bad times

For whatever he is, he's mine, all the time

And we'll get by with our true love

Mmm, sweet, sweet baby

Life is crazy

But there's one thing i am sure of

That I'm your lady

Always baby

And I love you now and ever

My-y, sweet, sweet baby

Life is crazy

But there's one thing i am sure of

See I- I'm your lady

Always baby

And I love you now and ever
