

Mad Caddies - 10 West Solo

Tom: **F**

The solos that are tabbed for this song all sound **WRONG** to me so I put this one together

that sounds "EXACT" and "CORRECT!" This is 100% Correct! Don't play all the other crappy solos for this song because they all are the same (Eactly), except for mine because it's the only one thats correct. Here it is.

Acordes
