

## Mad Caddies - 10 West Solo

Tom: F

The solos that are tabbed for this song all sound  $\ensuremath{\mathsf{WRONG}}$  to me so I put this one together

that sounds "EXACT" and "CORRECT!" This is 100% Correct! Don't play all the other crappy solos for this song because they all are the same (Eactly), except for mine because it's the only one thats correct. Here it is.
