Cm# Ab

Still awake on a winters day skies are gray and it's cold

Ab Fm# A

Smoke signals from my last cigarette Lets me know that it's finally gettn old

Cm#

Ab

Everybody hates me for the night before The man you saw wasn't me

Ab Fm# A Ab Db

And now there's blood upon the bathroom floor I've got a disease

A Fm#

Wait a while all I need is a friend

A Ab

Come on stay a while won't you please understand, understand?

Cm# A B Cm#

I'm fucked up with nothing ahead but the end

I know that I'll never get sober And

Cm# A B E

I'm fed up with this miserable life after death

E Ab Cm#

I know that I've taken my last breath

Repeat intro from "0:23"

Verse 2 same chords like 1

Memories of how it used to be Painted thick on my walls

Cold illusions pumping through my veins

Felt them there but I didn't hear them call

Washed away all my darkest fears Shoved them down to my soul

I keep them aged llike a vintage wine

I'm sure they'll come out when they're ready to go

pre chours (wait a while...  
chours (I'm fucked up ....

trumpet during prechours (1:06/2:19)

OUTRO (3:04)
