

Mad Caddies - Whatcha Gonna do

Tom: **Gb**

Gb **Bbm**
Layin' awake again and I don't know what's happening

B
I'm setting sail on unknown seas

Abm **Db** **B**
and I'm haunted by insecurities, oh no

Gb
I'm standing on the edge of dream

Bbm
Colliding with the light of this real life scene

Gb **Bbm**
And I don't feel a thing until the pain comes

B
And when it's all said and done would I just cut and run

Abm
Sometimes I'm so numb I don't know

B
If it happened tonight would I stand and fight

Abm **Db**
or would I just let go

[Chorus:]
Gb **Bbm**
Whatcha gonna do when it's on you boy

Abm **Db** **B**
Whatcha gonna say when it's no no more

Gb **Bbm**
Whatcha really gonna do when it's all through boy

Abm **Db** **B** **Gb**
Whatcha gonna say when it's over now

Gb **Abm** **Bbm**
Maybe it's the time of the year

Gb **Bbm**
but I don't feel my soul shine

Gb **Bbm**
Locked up inside and floating on the cheap wine

B
But there's a smell in the air

Abm
and I swear something's there

B
Blowing in on a California night

B
So if it's all gone and I can't go on

Abm **Db**
Well I'm sure as hell not ready to die

[Chorus]

Acordes
