

# Maddie & Tae - Friends Don't

Tom: G  
Intro: Em C G D

[Verso 1]

They don't <sup>Em</sup>cancel other plans <sup>C</sup>  
Have conversations with nothin' <sup>G</sup>but their eyes <sup>D</sup>  
They don't <sup>Em</sup>hear each other's names and forget to concentrate <sup>C</sup>  
Hits a <sup>G</sup>nerve and lights you up like dynamite <sup>D</sup>

[Refrão 1]

Friends don't <sup>Em</sup>call you in the middle of the night <sup>C</sup>  
Couldn't even tell you why, they just felt like sayin' <sup>G</sup>"hi" <sup>D</sup>  
Friends don't <sup>Em</sup>stand around, playin' with their keys <sup>C</sup>  
Findin' reasons not to leave, tryin' to hide the chemistry <sup>D</sup>  
Drive a little too slow (slow), take the long way home (home) <sup>C</sup>  
Get a little too close (close), we do but, but friends don't <sup>D</sup>  
( <sup>Em</sup> <sup>C</sup> <sup>G</sup> <sup>D</sup> )

[Verso 2]

They don't <sup>Em</sup>almost say "I love you" <sup>C</sup>  
When they're <sup>G</sup>downtown somewhere, just a little drunk <sup>D</sup>  
They don't <sup>Em</sup>talk about the future and put each other in it <sup>C</sup>  
And get <sup>G</sup>chills with every accidental touch <sup>D</sup>

[Ponte]

I keep tellin' myself this might be nothin' <sup>Em</sup>(this might be <sup>C</sup>nothin')  
But one look in your eyes and God, there's somethin' <sup>G</sup>(there's <sup>D</sup>somethin')  
You can lie to me and say you don't <sup>Em</sup>  
But I know you do, and I love you too <sup>C</sup>
