

# Madison Beer - Fools

tom:

Gbm

There you go

Gbm

Getting so overly comfortable, baby

E

Does it ever cross your mind?

Gbm

Like oh no, she wants to be in somebody else's photos

E

On the low-low

[Pré-Refrão]

Gbm

You don't know what I'm thinking, you don't even try

E

Whatever you've been drinking has got you out of your mind like

Gbm

I know you've been hurting, and I know I'm the reason why

E

[Refrão]

Don't you know, baby?

Gbm

Only fools stick around when the love is gone

E

Don't you know, baby?

Gbm

Only fools stick around when the love is all gone

E

Don't you know, baby?

Gbm

Hey, I just fool around

E

Babe, such a fool for me (fool for me)

Gbm

'Cause only fools stick around

E

When the love is all gone

[Segunda Parte]

Gbm

You walk a hundred miles

E

And wait a while for somebody

E

Who don't even smile

Does it ever cross your mind?

Gbm

Like oh Lord

E

She don't want to dance with the same man, no more

Are you so sure?

[Pré-Refrão]
