

Madison Beer - Say It To My Face

Tom: G

Em
Tell me, what's the situation?
Em
I've been rackin' on my brain
Em
Just want some answers if I ask you
Em B B
But I know you'll never say it to my face
B B
Say it to my face

Em Em
'Cause I've been up in the night
Em
Just tryna be honest
Em
But you're cuttin' the corners though
B
Holding on close to your pride
B
You got a good reputation
B
But it's no revelation
Am Am
When you've been runnin' all over town
B
Making a fool of me now

Tell me, tell me, tell me
Em
Baby, what's the situation?
Em
I've been rackin' on my brain
Em
Just want some answers if I ask you
Em B B
But I know you'll never say it to my face
B B
Say it to my face
Tell me, tell me, tell me

Em
Tell me, what's your allegation?
Em
You're accusing me of something
Em
I don't wanna be mistaken
Em B B
If I ask you, will you say it to my face?
B B
Say it to my face
Tell me, tell me, tell me

Em Em
'Cause you've been bluffin' behind
Em

You're in it just like I thought you
B B
Can't look me straight in the eye
B
Too intimidated
B
But it's no revelation
Am Am
When you've been runnin' all over town
B
You're making a fool of me now

Tell me, tell me, tell me
Em
How you got me so frustrated
Em
When you ask me to be patient
Em
Not convicting you with nothing
Em B B
I'm just asking you to say it to my face
B B
Say it to my face
Tell me, tell me, tell me

Em
Tell me, what's your allegation?
Em
You're accusing me of something
Em
I don't wanna be mistaken
Em B B
If I ask you, will you say it to my face?

Say it to my face
Tell me, tell me, tell me
