

Madison Beer - Teenager In Love

Tom: C

You make me feel like a teenager in love
You make me feel like a teenager in love

(C Am F G7)

You call me Queen

You're in ripped jeans

And you just pulled up to a love song

Hearts in my eyes

Strawberry skies

Beat up Corvettes smelling of cigarettes

But time keeps on slipping

You make me feel like a teenager in love

And you make me feel like I'll be forever young

And I don't want no, nobody else

I don't want no, nobody else

You make me feel like a teenager in love

So don't let me down

(You make me feel like a teenager in love)

Don't-don't let me down

You make me feel like a teenager in love)

Talk of the town

Bought me a gown

Told me you'd swoop me past midnight

I had a dream

You weren't so mean

But I like you better when you get angry

But time keeps on slipping

You make me feel like a teenager in love

And you make me feel like I'll be forever young

And I don't want no, nobody else

I don't want no, nobody else

You make me feel like a teenager in love

So don't let me down

(You make me feel like a teenager in love)

Don't-don't let me down

You make me feel like a teenager in love)

Don't let me down

Don't let me down

Yeah, don't let me down

Don't let me down

Don't let me down

When you come around

You come around

You come around

I'm always singing

Time keeps on slipping

You make me feel like a teenager in love

And you make me feel like I'll be forever young

And I don't want no, nobody else

I don't want no, nobody else

You make me feel like a teenager in love

So don't let me down

(You make me feel like a teenager in love)

Don't-don't let me down

You make me feel like a teenager in love)

So don't let me down
