

Madison Ryann Ward - The Key

tom:

G

[Primeira Parte]

Ebm Fm B Bb Abm

We had it all, let it fall, the favor and the fortune

With another craving for distortion

By the day we find a way

Birds of a feather, they fly together

And I see 'em soaring

From this boring cage, hmm

[Pré-Refrão]

Ebm Dbm B

But to break free has only been a dream

It's taking away all of my energy

I need a light to see so I can finally breathe

I gotta find the key

[Refrão]

Gb B

I've been searching for a peace of mind

Pride and certainty in truth I find

The soul is cold when the river's empty

So tell me

Ebm Gb B

These empty bones are dead inside

Bb Abm

Only hope keeps us alive

Gb B Bb

The road is old and it's never ending

Abm Gb B

These empty bones are dead inside

Abm

Only hope keeps us alive

Gb B Bb

But the soul is gold when the heart is healthy

[Segunda Parte]

Ebm Db B

See, all this drinking got me thirsty

Bb Abm7

I feel me breaking, I can't escape it

Gb B B7M Bb7 Ebm

I can't take the shame of mercy, hmm

B7M

But I'll follow what I'm searchin'

Bb7 Abm Abm7 Gb

'Cause maybe it's suitable for moving on

B Bb7

And working through the hurting
