

Madonna - Bad Girl

Tom: **C**

Something's missing
and I don't know why
I always feel the need
to hide my feelings from you
Is it me or you that I'm afraid of
I tell myself I'll show you
what I'm made of
Can't bring myself to let you go

Don't want to cause you any pain
But I love you just the same
And you'll always be my baby
In my heart
I know we've come apart
And I don't know where to start
What can I do?
I don't wanna feel blue

Bad girl drunk by six
Kissing someone else's lips
Smoked too many cigarettes today
I'm not happy when I act this way
Bad girl drunk by six
Kissing some
kind stranger's lips
Smoked too many cigarettes today
I'm not happy
I'm not happy

Something's happened and I can't go back
I fall apart every time
you hand your heart out to me
What happens now
I know I don't deserve you
I wonder how
I'm ever gonna hurt you
Can't bring myself to let you go

I don't want to cause you any pain
But I love you just the same
And you'll always be my baby
In my heart
I know we've come apart
And I don't know where to start

What can I do?
I don't wanna feel blue

Bad girl drunk by six
Kissing someone else's lips
Smoked too many cigarettes today
I'm not happy when I act this way
Bad girl drunk by six
Kissing some
kind stranger's lips
Smoked too many cigarettes today
I'm not happy
I'm not happy
This way

I don't want to cause you any pain
But I love you just the same
And you'll always be my baby
In my heart I know we've come apart
And I don't know where to start
What can I do
I don't wanna feel blue
Bad girl drunk by six

Kissing someone else's lips
Smoked too many cigarettes today
I'm not happy when I act this way
Bad girl drunk by six
Kissing someone else's lips
Smoked too many cigarettes today
I'm not happy when I act this way
I'm not happy
This way
Bad girl drunk by six
Kissing someone else's lips
Smoked too many cigarettes today
I'm not happy when I act this way
Bad girl drunk by six
Kissing someone else's lips
Smoked too many cigarettes today
I'm not happy when I act this way
I'm not happy
This way

Not happy this way
Kissing some kind stranger's lips
