

# Madonna - Cherish

Tom: D

So tired of broken hearts, of losing at this game  
 Before I start this dance I take a chance in telling you  
 I want more than just romance  
 You are my destiny, I can't let go baby  
 Can't you see  
 Cupid please take your aim at me  
 Cherish the thought  
 Of always having you here by my side, oh baby  
 Cherish the joy you keep bringing it into my life  
 Oh cherish your strenght  
 You got the to power to make me feel good, oh baby  
 Perish the thought of ever leaving never would  
 I was never satisfied with casual encounters  
 I can't hide the need for two hearts that bleed  
 With burning love that's the way it's got to be  
 Romeo and Juliet, they never felt this way I bet

So don't underestimate my point of view  
 Cherish the thought  
 Of always having you here by my side, oh baby  
 Cherish the joy you keep bringing it into my life  
 Oh cherish your strenght  
 You got the to power to make me feel good, oh baby  
 Perish the thought of ever leaving never would  
 I was never satisfied with casual encounters  
 Who? You! Can't get away, I won't let you  
 Who? You! I could never forget to  
 Cherish is the word I use to remind me of  
 ... your love  
 Romeo and Juliet, they never felt this way I bet  
 So don't underestimate my point of view  
 (D )  
 Give me strenght  
 Give me joy my boy  
 I will always  
 Cherish you
