

Madonna - Has To Be

Tom: G

Am G D
Breathe in.. breathe out
Am G D
I say a little prayer
Am G D
How the Gods above
Am G D
Could be so unfair

Am G D
I know there's someone out there
Am G D
Waiting for me
Am G D
There must be someone out there
Am G D
There just has to be

Am G D
Go on.. go on
Am G D

Don't sit there like a fool
Am G D
You've graduated from
Am G D
A different kind of school

Am G D
I know there's someone out there
Am G D
Waiting for me
Am G D
There must be someone out there
Am G D
There just has to be

Am G
How could all the Gods above
D
be so unfair
