C
This could be good, hey you

D
Hey you,

Open your heart, it's not so strange
G
You've got to change this time
D
Hey you,

Remember this, none of it's real
G
Including the way you feel

C
Keep it together, we'll make it alright
C
Our celebration is going on tonight
C
Poets and prophets would envy what we do
C
This could be good, hey you

Bb
Save your soul, little sister
Bb
Save your soul, little brother
C
Hey you, save yourself
Bb
Am

Don't rely on anyone else

C
First love yourself, then you can love someone else

Bb
If you can change someone else, then you have saved someone else

Hey you,

They're on the fence, you've got a choice
G
One day it will make sense

Hey you,

First love yourself, or if you can't,
G
Try to love someone else
C
Keep it together, we'll make it alright
C
Our celebration is going on tonight

C
Poets and prophets will envy what we do
C
This could be good, hey you

C
First love yourself, then you can love someone else
Bb
If you can change someone else, then you have saved someone else

But you must first love yourself, then you can love someone else

If you can change someone else, then you have saved someone else
