

Madonna - La Isla Bonita

```
Tom: G
                     D
1. Last night I dreamt of San Pedro
   Just like I`d never gone, I knew the song
                  D
A young girl with eyes like the desert
 It all seems like yesterday, not far away
Tropical the island breeze, all of nature, wild and free Bm Am C D Em
                Am
This is where I long to be, La Isla Bonita
            D
And when the Samba played, the sun would set so high
                           Am
Ring through my ears and sting my eyes, your Spanish lullaby
2. I fell in love with San Pedro
         Em
   Warm wind carried on the sea, he called to me
        diso
                  te
                         amo
