

# Madonna - Lament

Tom: **Bb**

**Gm** **Cm** **Gm**  
 The choice was mine, and mine completely  
**Eb** **F** **Cm**  
 I could've had any prize that I desired  
**Gm** **Cm** **Gm** **Db**  
 I could've burnt with the splendor of the brightest fire  
**Eb** **Gb** **Gm**  
 Or else, or else I could choose time  
**Gm** **Cm** **Gm**

Remember I was very young then  
**Eb** **F** **Cm**  
 And a year was forever and a day  
**Gm** **Cm** **Gm** **Db**  
 So what use could fifty, sixty, seventy be?  
**Eb** **Gb** **Gm**  
 I saw the lights, and I was on my way  
**Db**  
 And how I lived, how they shone  
**Eb** **Gb** **Gm**  
 But how soon the lights were gone.
