

Madonna - Love Profusion

tom:
Capostrate na 2ª casa

There are too many questions
There is not one solution
There is no resurrection
There is so much confusion

And the love profusion
You make me feel
You make me know
And the love vibration
You make me feel
You make it shine

There are too many options
There is no consolation
I have lost my illusions
What I want is an explanation

And the love profusion
You make me feel
You make me know
And the love direction
You make me feel
You make me shine

You make me feel
You make me shine
You make me feel

I got you under my skin
I got you under my skin
I got you under my skin
I got you under my skin

There is no comprehension
There is real isolation

There is so much destruction
What I want is a celebration
And I know I can feel bad
When I get in a bad mood
And the world can look so sad
Only you make me feel good

I got you under my skin
I got you under my skin
I got you under my skin
I got you under my skin

I got you under my skin
I got you under my skin
I got you under my skin
I got you under my skin

And the love profusion
You make me feel
You make me know
And the love direction
You make me feel
You make me shine

You make me feel
You make me shine
You make me feel

I got you under my skin
I got you under my skin
I got you under my skin
I got you under my skin

And I know I can feel bad
When I get in a bad mood
And the world can look so sad
Only you make me feel good
