

Madonna - Miles Away

Tom: C

(intro) Am Em G Dm

Am G
I just woke up from a fuzzy dream
Em7 Dm7
You never would believe those things that I had seen
Am G
I looked in the mirror and I saw your face
Em7 Dm7
You looked right through me, you were miles away

Am G
All my dreams, they fade away
Em7 Dm7
I'll never be the same
Am G
If you could see me the way you see yourself
Em7 F
I can't pretend to be someone else

Am
You always love me more
G
Miles away

I hear it in your voice

When we're six thousand miles apart

Too much of no sound
