Madonna - Nothing really Matters

Tom: F

```
                        Bb
When I was very young,   nothing really mattered to me
Dm                        Bb
   But making myself happy,   I was the only one
Dm                     F             C
   Now that I am grown,  ev'rything's changed
Dm                       Bb            F
   I'll never be the same    because of you

Dm                 C       Gm
   Nothing really matters,    love is all we need
Dm              C        Gm       Bb   Dm
   Ev'rything I give you all comes back to me

                     Bb
Looking at my life,   it's very clear to me
Dm                      Bb
   I lived so selfishly,   I was the only one
Dm           F             C
   I realise   that nobody wins
Dm                       Bb                 F
   Something is ending    and something begins

Dm                 C       Gm
   Nothing really matters,    love is all we need
Dm              C        Gm       Bb    Dm
   Ev'rything I give you all comes back to me

                  C       Gm
Nothing really matters,    love is all we need
Dm              C        Gm       Bb   Dm
   Ev'rything I give you all comes back to me

Nothing takes the past away like the future
Bb
Nothing makes the darkness go like the light
Gm
You're shelter from the storm
        A           Bb       Gm  Dm  Bb  Dm  Bb
Give me comfort in your arms

Dm                 C       Gm
   Nothing really matters,    love is all we need
Dm              C        Gm       Bb   Dm
   Ev'rything I give you all comes back to me

        C      Gm
Nothing really matters
Dm      C      Gm
Love is all we need
Dm   C       Gm
Ev'rything I give you
Dm        C       Gm
All comes back to me
Dm      C      Gm
Nothing really matters
Dm      C      Gm
Love is all we need
