

## Madonna - Ray of Light

Intro: Bb Cm Dm Eb x3 Eb Bb x6 Zephyr in the sky at night - I wonder Do my tears of mourning sink beneath the sun She's got herself a universe - gone quickly For the call of thunder threatens everyone And I feel like I just got home... and I feel And I feel like I just got home... and I feel Faster than the speeding light - she's flying Trying to remember where it all began She's got herself a little piece of heaven Waiting for the time when Earth shall be as one And I feel like I just got home... and I feel And I feel like I just got home... and I feel Quicker than a ray of light Quicker than a ray of light Quicker than a ray of light
