[Primeira Parte]

Your heart is not open so I must go  
The spell has been broken, I loved you so  
Freedom comes when you learn to let go  
Creation comes when you learn to say no

[Segunda Parte]

You were my lesson I had to learn  
I was your fortress you had to burn  
Pain is a warning that something's wrong  
I pray to God that it won't be long  
I wanna go higher

[Refrão]

There's nothing left to try  
There's no place left to hide  
There's no greater power than the power of goodbye
