

# Madonna - This Used To Be My Playground

Tom: **Bb**  
Intro: (**Gm Dm Gm Dm Eb Dm7 G7 G**) **Cm7**  
**Eb7**  
This used to be my playground  
**D7** **Gm**  
This used to be my childhood dream  
**Bb** **F** **F**  
This used to be the place I ran to  
**Bb** **Gm** **C7** **F**  
Whenever I was in need of a friend  
**F** **D7**  
Why did it have to end and why do they always say  
**Eb7** **D7** **Gm**  
"Don't look back, keep your head held high"?  
**Gm7** **Eb7** **D7**  
Don't ask them why, because life is short  
**Gm** **Bb**  
And before you know you're feeling old  
**Eb7** **D7**  
And your heart is breaking  
**Cm**  
Don't hold on to the past, well, that's too much to ask  
**Gm** **F**  
**Eb7**  
This used to be my playground  
**D7** **Gm**  
This used to be my childhood dream  
**Bb** **F** **F**  
This used to be the place I ran to  
**Bb** **Gm** **C7** **F**  
Whenever I was in need of a friend  
**F** **D7** **Eb7** **D7**  
Why did it have to end and why do they always say "no  
regrets"?  
**Gm** **Gm7**  
But I wish that you were here with me  
**Eb7** **D7**

Well, then there's hope yet  
**Gm** **Gm7**  
I can see your face in our secret place  
**Eb7** **D7**  
You're not just a memory  
**Cm**  
"Say good-bye to yesterday "  
**Gm**  
Those are words I'll never say (I'll never say)  
**Eb7**  
This used to be my playground (where I used to be)  
**D7** **Gm**  
This used to be our pride and joy  
**Bb** **F** **F**  
This used to be the place we ran to  
**Bb** **Gm**  
That no one in the world could dare destroy  
**Eb7**  
This used to be our playground (used to be)  
**D7** **Gm7**  
This used to be our childhood dream  
**Bb** **F** **F**  
This used to be the place we ran to  
**Eb7** **F**  
I wish you were standing here with me  
**Eb7**  
This used to be our playground (used to be)  
**D7** **Gm**  
This used to be our childhood dream  
**Bb** **F** **F**  
This used to be the place we ran to  
**Bb**  
The best things in life are always free  
**Eb7**  
Wishing you were here with me
