

# Madonna - Turn Up The Radio

Tom: **D**

**D**  
**C** When the world starts to get you down  
 And nothing seems to go your way  
 And the noise of a maddening crowd  
**D** Makes you feel like you're going to go insane  
**D** There's a glow of a distant light  
 Calling you to come outside  
 To feel the wind in your face and your skin  
 And it's here I begin my story  
**D** Turn up the radio **C**  
 Turn up the radio **G**  
 Don't ask me where I wanna go **A**  
 We gotta turn up the radio **D**  
**D** It was time that I opened my eyes **C**  
 I'm leaving the past behind **G**  
 Nothing's ever what it seems **A**  
 Including this time and this crazy dream **D**  
**D** I'm stuck like a moth to a flame **C**  
 I'm so tired of playing this game **G**  
 I don't know how I got to this stage **A**  
 Let me out of my cage cause I'm dying **D**  
**D** To turn up the radio **C**  
 Turn up the radio **G**  
 Don't ask me where I wanna go **A**  
 We gotta turn up the radio **D**  
**D** Turn up the radio **C**  
 Turn up the radio **G**  
 Don't ask me where I wanna go **A**

**D**  
 We gotta turn up the radio  
**D** I just wanna get in my car **C**  
**G** I wanna go fast and I gotta go far **G**  
**A** Don't ask me to explain how I feel **A**  
 Cause I don't wanna say where I'm going **D**  
**D** Turn up the noise and turn up the volume **C**  
**G** Don't have a choice  
 Cause the temperature's pounding **A**  
 If leaving this place is the last thing I do  
 Then I want to escape **D**  
 With a person just like you  
**D** Buzzing around like a moth to a flame **C**  
**G** I'm so sick and tired of playing this game  
 We gotta have fun if that's all that we do **A**  
 Gotta shake up the system  
 And break all the rules  
 Gotta turn up the radio  
 Until the speakers blow! **D**  
**D** Turn up the radio **C**  
 Turn up the radio **G**  
 Don't ask me where I wanna go **A**  
 We gotta turn up the radio **D**  
**D** Turn up the radio **C**  
 Turn up the radio **G**  
 There's some things you don't need to know **A**  
 Just let me turn up the radio **D**  
**D** Turn up the radio **C**  
 Let me turn up the radio **G**  
 Let me turn up the radio **A** **D**
